Dear fellow Local Community Enthusiast,

The Melbourne Rotary Club is excited to announce our upcoming Casino Night fundraiser. Casino Night will be held on Saturday, July 18, 2009 at Brevard's newest (opening in May or sooner) nightclub, **LevelZ**. The club is located at 4250 W New Haven Ave, Melbourne, FL 32904 (across the street from Sam's Club, alongside Broyhill). The purpose of this evening is to help raise funds for local charities that are important to us and the community. We've enclosed information about sponsorship opportunities as well as individual ticket options.

The beneficiaries of the evenings proceeds are:

The Zachary Project, Inc. is non-profit organization dedicated to supporting firefighters' children born with birth defects, affected by illness, injury or undergoes a catastrophic medical incident. 75% of the evening's proceeds will go directly to The Zachary Project. To learn more about The Zachary Project, visit www.zacharyproject.org.

The Brevard Business Leadership Network (Brevard BLN) is a local non-profit organization established by Betsy Farmer, former Executive Director of the Space Coast Early Intervention Center, to expand the employment/career opportunities for students and adults with disabilities. 15% of the evening's proceeds will go directly to Brevard Business Leadership Network. To learn more about Brevard BLN, visit www.brevardbln.org or call Betsy Farmer at 321.536.7062.

Rotary International is a worldwide organization which provides humanitarian service, encourage high ethical standards in all vocations, and help build goodwill and peace in the world. The remaining 10% of the evening's proceeds will be used to help other local organizations that Rotary supports. Please take a minute to learn more about us at www.rotary.org.

If you have any questions about Casino Night or about the Melbourne Rotary Club, don't hesitate to call me at 321.403.7057 or visit us at www.melbournerotary.org.

We look forward to partnering with you to make a difference in our community.

In Service,

Grady J. Marshall
